## Barry Will Talk To GOP Women

The Perry County Republican Club has announced several highlights of the National Federation of Republican Women Convention to be held September 24, 25, and 26, in Louisville.

Members will begin arriving Friday at which time plans will be discussed for the convention. Highlights of the convention are as follows:

Friday—A Keynote Address by Marlow W. Cook, Judge of Jefferson County; a Hawaiian Luncheon and address by William O. Cowager, Mayor of Louisville; Friday afternoon a Congressional Panel, including Senator John Sherman Cooper, Senator Thurston B. Morton, Congressman Gene Snyder, Congressman Bob Wilson and Mr. I. Lee Potter.

Also on the program Friday will be the new National Assistant Chairman Pat Huter and National Chairman of Young Republicans Buz Lukes and Nancy Merrill, Assistant Chairman of the Young Republicans.

Friday night there will be banquet at 6:30 p.m. at Freedom Hall. Tickets will be \$10.00 per person. After the banquet, the doors will be opened to everyone, at no cost. The speaker will be the Republican Presidential Nominee, Barry Goldwater.

The great John Jacob Niles, King of American Folk Singers, will be featured in the program

Barry Goldwater

## Demo. Women To Meet Thursday

The Perry County Democratic Women's Club will meet Thursday, September 24, at Democratic Headquarters in the Hurst Hotel Building. All interested women are urged to attend.

Saturday. The main speaker at this session will be Mrs. Ivy Baker Priest Stevens, former Treasurer of the United States.

A bus tour is planned for all out-of-state visitors Sunday. Included in the places to be visited are Frankfort, Bardonia, Lexington and Lincoln's Birthplace in Hodgenville.

## Fire Prevention Crusade To Start

Unemployed Fathers Crews of the Kentucky Division of Forestry are launching a Forest Fire Prevention Crusade this week. The crusade will take place in Perry, Knott, Letcher, and Breathitt Counties according to Lyle R. Shoemaker, District Forester of the Kentucky River District.

The Division of Forestry has been working unemployed fathers in the four counties in this District since March. These men are furnished by the Department of Economic Security and have been used to plant trees, control forest fires, build trails and do other maintenance work.

Shoemaker stated that this will be the first attempt to involve these men in the Fire Prevention phase of our fire control work.

A selected crew in each county will be oriented and trained to make personal contacts and spread the gospel of Forest Fire Prevention. Each unemployed father will deliver a packet of prevention literature when he makes his contact.

This will include a copy of the fire laws, a leaflet on proper methods of burning, a wallet card which will list names and telephone numbers where to report forest fires and a family contact card which will be filled out and returned to his supervisor as a record of the contact.

Priority will be given to areas of the county where the occurrence of forest fires has been greatest.

## G.O.P. Committee Will Meet Tonight

There will be a meeting of the Perry County Republican Executive Committee tonight at 7:00 p.m. in the County Judge's office in the Courthouse.

The purpose of the session is to name the campaign organization for the forthcoming Presidential election.

## Reclamation: Better Land, More Jobs

PREVIOUSLY UNEMPLOYED fathers of dependent families are clearing and grading land and filling in erosion gullies in preparation for tree-planting and grass seeding next spring in Eastern Kentucky. In left photo is a "catch basin" at the side of the road to collect water draining from abandoned mines on the mountain, preventing road-washing and holding valuable top-soil from going down the mountain. In right photo a gully is filled with large rocks to slow down the flow of water. The reclamation project in Bell and Harlan counties is under the direction of the State Department of Natural Resources and is reclaiming 2,000 acres of strip mine spoil banks. The Department of Economic Security interviews and assigns the workers to the project.

## Separate Vehicular Accidents Claim Lives Of Two Persons

Separate automobile accidents within one hour of each other on Friday claimed the lives of two Perry County men and injured another. Killed were Gurney Thacker, Leburn, and Sampson Caudill, Vico.

Thacker was killed about 4:00 p.m. two miles north of Chavies on a private Road. Kentucky State Trooper Jerry Pitcock reported that Thacker was driving a 64-Chevrolet dump truck and that he veered to close to the edge of a cliff, plunging to the bottom.

Thacker, 40, was pinned under the truck and was pronounced dead on arrival at the hospital.

In a grinding two vehicle collision six miles above Jeff, Caudill was killed and the driver of the car in which he was riding, James Alva Caudill, 21, Viper, was injured and taken to the Mount Mary Hospital.

State Trooper Homer Howard reported that Caudill's car was traveling toward Jeff at approximately 80 miles per hour when the right wheel ran off the road in attempting to get back on the road, he lost control of the car and it swerved across the pavement, striking a large gravel pile.

Caudill's car then continued on 90 feet through a gravel pile and over an embankment. Sampson, 63, was killed instantly.

The accident occurred at 4:54 p.m.

## Local Physicians Invited To Take Part In Harlan County's Heart Clinic

Physicians in five counties of Harlan, Knott, Leslie, Letcher and Perry have been invited to take part in the one-day consultative and diagnostic heart clinic for mentally indigent patients to be held in the Harlan County Health Department, Harlan, on Wednesday, October 7, 1964.

Conducting the clinic will be Dr. Jacqueline A. Noonan and Dr. Jack Reeves, both from the University of Kentucky Medical Center.

Co-sponsored by the Kentucky Heart Association and the State and County Health Departments, the clinic provides a diagnostic service for the patient, along with recommendations for treatment and management of the case. It also provides an opportunity for referring physician to consult with the clinician regarding his patient.

Necessary expenses of the clinic are being underwritten by the Kentucky Heart Association and the State Health Department. Clinic personnel, as well as space and equipment, will be provided by the Harlan County Health Department and the State Health Department.

**BOOSTER'S CLUB WILL NOT MEET TONIGHT**

The Hazard Booster's Club will not meet tonight, but will have their weekly meeting next Monday, September 28, in the Municipal Auditorium of City Hall at 8:00 p.m., club President C. L. Fouts announced today.

## Judge Ward Rules For Opening Of Arcade Passway

Perry County Circuit Court Judge Don A. Ward has ruled that the Arcade, a passway from Main Street to High Street, will be open to the public. The decision is a result of a suit filed by the City of Hazard against Shafter Combs, Gene Hurst Combs, and Gertrude Hurst Combs, who were responsible for closing the Arcade in January.

City Attorney Ernest Faulkner asked for an injunction directing the defendants to reopen and make available for public usage the Arcade passway, which is a part of the store building owned by the defendants on Main, next to the Hazard Lunch.

After deliberation, Judge Ward found for the City, and directed that the defendants remove all obstructions placed in the Arcade and to put it in the condition it was prior to January 12.

The Court also found that the Arcade was constructed by L. O. Davis in 1941, and that he provided the Arcade separate and apart from the main building, adding that it was used by the public without objection on the part of the owners from that time until January 12.

Judge Ward also noted that the defendants became the owners of the property in 1958, and, in 1962, at the defendant's request, the City gave permission for closing the Arcade during certain hours of the night.

This situation was maintained until January when the passway was permanently closed.

Combs had requested the Arcade to be closed at night because several break-ins occurred through the doors and windows

to his firm inside the passway and caused him substantial losses.

The suit was filed in early February by the City after citizens protest had forced the City Commissioners to draw a resolution against the closing. Their resolution read:

First point in the resolution noted that the arcade and passway were set aside for public use by the former owners of the property, at the time the building was constructed by him and was maintained by him and used by the public generally for more than five years, and has been used by the general public and considered a public way for more than five years since the present owners purchased the property.

(2) The proposed closing and discontinued use of said arcade will materially and adversely affect business on Main and High Streets, including the business owners of the Arcade Building, and will greatly inconvenience a large number of citizens, including business people on Main and High, the residents of Baker Avenue, Walnut Street, Davis Street, Memorial Drive or the Bypass, Hazard High School, Mount Mary Hospital, Perry County Health Department, and other

business establishments and institutions and individuals.

(3) Because of the length of the block between Main and High Streets through which said arcade furnished a means of egress and ingress, the closing will increase the fire hazard in respect to all buildings in the blocks and on the opposite sides of Main and High Streets.

(4) The suggestion by the owners of the Arcade Building that the public will be permitted to pass through their store from Main to High Street is an impractical suggestion and if carried out, will involve certain liabilities.

(5) The 1962 request of the Arcade Building owners was an admission by the owners that passageway had been set aside and dedicated as a public passageway, and was a recognition upon their part of the interest of the general public and convenience and value of same.

(6) Whereas, the terms, conditions, and spirit of the agreement embodied in the resolution of Feb. 16, 1962, have been violated by the owners of the Arcade store, by arbitrarily closing said arcade without consultation with the city authorities and without even giving notice of their intentions to do so, the resolution continues.

NOW, Be it resolved by the Board of Commissioners of the City of Hazard that the owners of said Arcade Building, be and they are hereby urgently requested to forego the closing of said arcade and passageway during business hours, but that they carry out the agreement contained in the resolution referred to above and keep said arcade or passageway open for the use of the general public.

In his summary opinion, Judge Ward stated that "it is settled in this state that a general and long continuing use of a passway by the public as a right will create the right to continue the usage, and the owner of the land traversed by the passway, who allowing the public to use it as a highway for a long period of years, under a claim of rights will be stopped from denying dedication to the public. Long continued using by the public will constitute an implied acceptance of the dedication."

On this ruling, the Arcade will be again opened to Hazard pedestrians in the near future.

## 275 First Grade Children Receive Physical and Dental Examinations

At the end of the first week of screening at the Perry County Health Department, 92% of the first grade children scheduled for September 14-17 have received the physical and dental examinations. Of the 300 children expected to come in, 275 attended the clinic; and 147 adults who accompanied the children also received the tests.

Among the conditions discovered in some of the children were hearing and vision defects, heart abnormalities, intestinal parasites, malnutrition, infected tonsils and several cases of impetigo.

These examinations will continue for two more weeks at the health department, and any of those first grade children who did not come in on their scheduled day last week may receive the examinations any time during the remaining two weeks. There will be no free transportation for those who missed their day, so each parent will have to provide his own. The clinic will be held Monday through Thursday of each week, September 21-24 and September 28-October 1. Registration ends at 2 P. M. each of these days.

Those parents who are scheduled for the next two weeks should check the transportation schedule mailed to them by the health department for the time and place of their bus or car pick-up. If there are any parents who did not receive a letter, they can check this newspaper, the radio news at 5:00 P. M. and 7:00 A. M., or their first grade teacher. Parents who plan to use their own transportation are urged to come early in the morning, any time after 8 A. M.

## Fumbling Hazard Squeaks By Stubborn Whitesburg, 21-20, For No. 4

By Ben Fitzpatrick  
And  
Bill Engle, Jr.

A fired-up nest of Yellowjackets chased Hazard's undefeated Bulldogs all over the field Friday night, but were unable to get the final sting as the Bulldogs staved off Whitesburg 21-20 in a palpitatingly good, close football game.

The win ran Hazard's record to 4-0 and dropped Whitesburg into the red with a 2-3 ledger.

Whitesburg Halfback William Wright ran Hazard's defense dizzy as he repeatedly turned the corners for yardage, picking up 105 yards on nineteen carries, good for all the Whitesburg points.

Hazard's offense ran into considerable trouble in the second half and were held scoreless. Houston Hogg scored one touchdown for the Dogs, tossed another, and gained 76 yards, but he made a couple of costly fumbles in the third quarter, one of which led to the Yellowjackets third touchdown.

Hazard opened the scoring in the first quarter as Hogg smashed into the end zone from one yard out with 5:34 left to climax a short drive of 37 yards that saw Hogg carry the ball seven times with Fred Barnett

ett and Keith Reynolds interrupting his string by adding first downs to the cause.

On the extra point, a bad snap from center created a brief problem but Hogg lateraled to quarterback Bill Morgan and he tacked the extra point on with a dash past the double stripes.

Whitesburg and Hazard exchanged the ball on downs before Whitesburg marched for their first score, covering 48 yards in five plays. After five-yard gains by Curt Neice and John Fairchilds, Wright turned the end for 12 to the 25 and Donnie Fields followed with a 15 yard run.

Wright, a sophomore, then swept the left side from the 10 for the touchdown. He added the extra point and the score was 7-7.

The Bulldogs returned the Kickoff to the 35 and on first down, Reynolds fumbled to the Jackets.

A pass from QB Steve Frazier to Wright was good for thirty yards, but a penalty set Whitesburg back to the 25. Frazier rolled out to the 10 and Wright scored on the next play. His EPA run was good and Hazard was down for the first time this season, 14-7.

The Bulldogs stormed back quickly, taking the kickoff to the 42. From there Morgan hit Reynolds with a 58-yard TD pass with 4:15 left in the second

quarter. Morgan split the uprights for the EPA and the score was 14-14.

Hazard stopped Whitesburg's running attack cold on the next series and the Jackets punted out to the Hazard 50. On a dipsy-doodle play, Morgan handed off to Hogg going right, Hogg then passed to Morgan in the left flat, who goosestepped by one defender and sailed into the end zone. He kicked the extra point and with 1:04 left in the half, Hazard led 21-14.

At the start of the second half, Hazard returned the kick to the 37. Hogg fumbled the pigskin to Whitesburg and the Jackets drove to the nine, where a 4th-and-7 pass fell incomplete.

On the very next play, Hogg again fumbled and Whitesburg recovered on the 12. They were penalized five yards for too much time, but after a seven yard run by Fairchild, Wright scampered 10 yards to make the score 21-20 with 5:19 to go in the third quarter.

Wright swept the right side of Hazard's defensive line in the try for an all-important extra point, but the line rose to the occasion and threw him out at the two. Hazard was forced to punt on the ensuing series of downs and, Whitesburg began a desperation drive for the goal, highlighted by a 31-yard pass from Frazier to Fields and a 12-yard run by Wright.

The Bulldogs halted the attack on the 13th and with a 4th-and-4 facing them, Whitesburg attempted a field goal, but Robbie Huskisson's kick was blocked by tackle O.J. Rowe, ending Whitesburg's last threat of the evening.

The Bulldogs halted the attack on the 13th and with a 4th-and-4 facing them, Whitesburg attempted a field goal, but Robbie Huskisson's kick was blocked by tackle O.J. Rowe, ending Whitesburg's last threat of the evening.

Entering its second decade, the 1965 Thunderbird continues its styling and engineering leadership with such advanced features as front wheel disc brakes standard equipment on all models. Other 1965 Thunderbird standard equipment owner-benefit features include distinctive sequential turn signals which create a light pattern in the turning direction, reversible keys which may be inserted into ignition and trunk locks either side up, keyless door locking, and a dome light on convertible models. New or revised options include an AM-FM radio on which all five push buttons may be used for AM or FM operation, an electric antenna, power vent windows, a vacuum deck lid release, and a limited slip differential.

The three 1965 Thunderbird models — landau, convertible, and hardtop (above) — will debut in Ford dealer showrooms Friday, September 25.

**Ford Dealers To Display New 1965**

**Models In Hazard September 25**

The 1965 Ford Thunderbird begins the second decade of styling and engineering leadership for America's classic luxury car.

Thunderbird's distinctive styling is enhanced for 1965 by new exterior trim and ornamentation, and its luxurious interior offers new standards of comfort and elegance.

"The 1965 edition of the Thunderbird maintains the pattern of evolutionary change but adheres closely to the T-Bird's basic styling theme," said M. S. McLaughlin, assistant general manager of the Ford Division, Ford Motor Company. "The new Thunderbird's fresh styling and engineering improvements evolved from the outstanding features of its predecessors."

New owner-benefit features of the 1965 Thunderbird include: Front disc brakes. Sequential turn signals. Convertible dome light. Keyless locking system. Reversible keys. Options include an AM/FM radio on which all five buttons may be used for AM or FM operation, an electric antenna, power-vent windows, a vacuum deck-lid release, and a limited-slip differential.

Standard equipment includes a 390-cubic-inch engine, power steering, power brakes, and swing-away steering wheel. Also available are many options, including air conditioning, reclining passenger seat with headrest, and a safety-convenience control panel.

A striking innovation is the sequential turn signal for the rear. The long, rectangular six-frame taillight area lights up two frames at a time, moving rapidly to right or left to signal an impending turn. It has the effect of an animated arrow pointing in the direction of the proposed turn.

All three models of the 1965 Thunderbird—hardtop, landau and convertible—will be introduced in Ford dealerships Friday, September 25.

#### STYLING

From the front, the fully integrated bumper and grille of the 1965 Thunderbird features a new grille design with six bright vertical bars and eight bright horizontal bars.

In addition, a new Thunderbird emblem replaces the block Thunderbird letters in the leading edge of the hood.

From the side, all models have a new simulated wastegate

ornament on the front fender behind the wheel opening. The wastegate has bright horizontal simulated louvers with upper and lower bars that taper rearward.

The traditional Thunderbird side script has been relocated and redesigned for 1965. It is positioned on the rear quarter panel and features a black border surrounding the bright metal script lettering.

New deluxe wheel covers with a plastic hub insert are standard with all three Thunderbird models. The hardtop and landau models have a new rear-pillar molding extending from the rear-quarter window around to the flow-thru-vent grille. The hardtop model has a new Thunderbird emblem on the rear pillar with a rectangular ring encircling the center section and frosted finish wings. The landau model features a new, shorter S-Bar with a circular frosted area in the center.

From the rear, all 1965 Thunderbird models have new taillight appliques with five vertical bright finish bars. A new Thunderbird emblem replaces the Thunderbird lettering on the center section of the bumper between the taillights.

The convertible model Thunderbird for 1965 offers the same basic features as the hardtop, but with the added attraction of an all-vinyl, wrinkle-resistant soft top. The top lowers and disappears under the power-operated rear deck lid at the touch of a switch.

Susan Spottless says:  
**KEEP AMERICA BEAUTIFUL**

Just a few words, Ladies! to tell you that the new FALL FASHIONS are in at Wills—and they're SIMPLY MARVELOUS! Hurry in to see them—very soon!

### Huff Reunion Held September 16; Alene Fugate Resigns As Teacher

By Etta J. Eversole Campbell, Jr., Yerkes.

Mrs. Alene Fugate has resigned as teacher in the Krypton Grade School. Mrs. Lloyd Colwell of Yerkes has been teaching in her place this week.

Recent guests of Mr. and Mrs. E. N. Parsons have been Mrs. Parsons' sister, Mrs. Conrad Rinemuller and Mr. Rinemuller of Louisville; Mr. Billy Ray Shepherd of Cincinnati; and their son, Mr. Earl Parsons and Mrs. Parsons of Indianapolis. The Parsons brought with them three of their parents' grandchildren.

The following people attended the Huff reunion held at the home of Mr. and Mrs. Rule Baker September 6: Mr. and Mrs. Paul Nieceley and children of Evans; Mr. and Mrs. Teddy Huff, Hamilton, Ohio; Mrs. Sadie Vandewende, Miami, Florida; Mrs. Joyce Merrill and children, Hazard; Mr. and Mrs. John C. E. N. Parsons.

Mr. and Mrs. W. M. Fields, Walkertown; Mr. and Mrs. Bert Hamblin, and daughter, Chicago; Mr. Harry Eversole, Confluence; Mrs. I. V. Bowling, Confluence; Mrs. Lois Jean Valentine, Confluence; Mr. Clyde Huff, Memphis, Indiana; Mr. and Mrs. Glen Houghey and two children, Fairborn, Ohio; and Mrs. Dennis Wooton, Yerkes.

Mrs. Dixie Sturgeon and two children of Florence; Mrs. Pauline Henson and daughter, Patsy of Fairborn, Ohio; Mrs. Addoe McIntosh, Owensboro; Mr. and Mrs. Marion Langdon and two sons of Hamilton, Ohio; Mr. and Mrs. Paul Huff, Krypton; Miss Audrey Mastin, Yerkes.

Mrs. Hattie Longworth and Mr. Ernest Rinemuller were dinner guests of Mr. and Mrs. Hazard.

### Perry County Soil Conservation Districts To Hold Supervisors' Meet Sept. 23-24

By Clay Ratliff

The Twenty-first Annual Convention of the Kentucky Association of Soil Conservation Districts is being held September 23 and 24 at Cumberland Falls State Park. Supervisors from the 122 Soil Conservation Districts in Kentucky will be attending. Planning to attend from Perry County SCD board are: Denney Minard, Bill Gorman, W. F. Hall and Elson Holliday. Denney Minard will be presented a ten year pin for his services to the local board of supervisors, the night of September 23.

### W. F. Hall Graduates From NESEP School

William F. Hall, son of Mr. and Mrs. Albert Foster Hill, of still maintain his enlisted status and continue to draw all pay allowances of his pay grade and will also be eligible for further promotions. Upon graduation from College, Hill will complete officer candidate school and serve on active duty as Naval officer. Hill is a high school graduate while in college under Navy from Dilce Combs Memorial sponsorship the NESEP student High School, of Jeff.

Your average rate per unit of electricity becomes lower and lower as you increase your use of it

## How to get your electricity for less and less

The more work electricity does for you, the more you benefit from our "quantity" rates!

Stores offer many "large economy-size" packages at lower cost per pound. Electric rates are figured this way, too. As your use of electricity goes up, your average cost per unit goes down, in progressive steps.

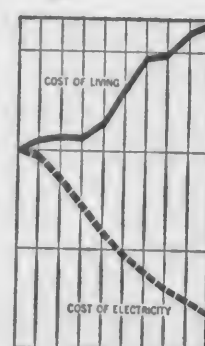

You can enjoy "quantity" rates while working toward the ideal Total Electric home. When you buy an appliance... a water heater, a clothes dryer, a range, or a heating system... make sure it is electric. The more use you make of flameless, clean, convenient electricity, the lower your average cost becomes!

Free booklet gives details. Sooner Than You Think shows what steps you should take to get low "quantity" rates. Phone for it, stop in, or mail the coupon.

AEP SYSTEM 7-STATE HIGH-VOLTAGE TRANSMISSION GRID

All of our electric power generating plants are interconnected and we have interconnections with neighboring systems as well. We send power to areas that need it. They ship current back to us when we need it. We pass the savings along to you in the form of the lowest rates in our history!

Our rates were never so low. This chart shows how the average cost per kilowatt hour of electricity has been lowered 18% in the past 10 years. We're dedicated to continue this trend. As a comparison, the cost of living has risen 14% in the same period.

KENTUCKY POWER COMPANY is a part of the American Electric Power System. This system produces more electricity than any other investor-owned utility in the United States. It serves over 2300 communities in 7 states—Ohio, Indiana, Michigan, Virginia, West Virginia, Kentucky and Tennessee. Through coordinated management and operations, progressive engineering and research, the six member companies of AEP bring you low-cost power with greatest dependability.

# P. T. A. Launches Membership Drive

"Don't keep your hands in your pocket . . . climb aboard Hazard PTA's rocket." With this catchy jet-age slogan, Hazard Parent Teachers Association launched its annual membership drive today.

The drive opened officially with the selling of \$1.00 memberships to Mrs. Joe Duncan, PTA president, Principal John Stringer of Hazard High and Principal Estill McIntyre of Eversole Elementary School. Making the first sale was Mrs. Fred Vesco, drive chairman.

The PTA rocket is shooting for one thousand members, slightly more than ten percent increase over last year's 891, stated the chairman, and reminded the men that "fathers are parents too" and therefore eligible to join also.

Honorary memberships are available for persons other than parents and teachers but also interested in our schools and children, continued Mrs. Vesco.

She stressed that "there will be no carnival" this year and the PTA will operate on its membership dollar, making it doubly important to reach or exceed the 1,000 goal.

Proceeds will be used for the PTA's two main projects—a merry-go-round for the lower grades and playground equipment for the upper grades.

Rules of the membership drive are simple, explained Mrs. Vesco: Parents with more than one child will receive credit in each homeroom regardless of which room actually receives the money.

Parents and teachers are eligible for regular memberships. All other interested persons are invited to buy honorary memberships. Prizes will be awarded in each of the four divisions into which Eversole and Hazard High School are divided.

## Treasure Island Cakes

### A Lunchbox Treat

Hidden treasures make lunchboxes a tasty treat. And the treasure-hunters on your list will go for Treasure Island Cakes in a big way! Hidden in top and bottom of each vanilla cupcake are two cream-filled chocolate cookies. These easy-to-make cupcakes are delicious afternoon snacks, too, served with a scoop of ice cream. Here's how to make them:

**Treasure Island Cakes**  
 24 Sunshine Hydrox Cookies 1/2 cup butter or margarine  
 1 cup sifted all-purpose flour 1/2 cup sugar  
 1 1/4 teaspoons baking powder 2 eggs  
 1/2 teaspoon salt 1 teaspoon vanilla  
 1/4 teaspoon mace 1/2 cup milk

Lightly grease the bottoms of 12 three-inch muffin cups. Place a Hydrox cookie in each; set aside. Sift flour, baking powder, salt and mace together; set aside. Cream butter or margarine with sugar; beat in eggs, one at a time, until mixture is smooth and light. Stir in vanilla. Add flour mixture and milk alternately, gently until smooth. Spoon batter into muffin cups over cookies. Top each with remaining cookies. Bake in moderately hot oven (375°F) about 15 minutes until golden and cakes begin to shrink from sides. Cool on rack in cups for about 5 minutes. Remove with spatula and continue cooling on rack. Store in air-tight container. Yield: 12 cup cakes.

## D.A.R. District Meet At Prestonsburg

The Jane Owen Chapter and the Pikeville Chapter were hostesses to the Annual Sixth District Meeting of the Daughters of the American Revolution which was held at the May Lodge in Jenny Wiley State Park at Prestonsburg September 18.

A luncheon was served in the lodge dining room to the 120 members from the Nine Chapters of the District who were present.

Attending from the Hazard Chapter were Mrs. Dewey Daniel, Mrs. Peggy Cornett, Mrs. Perry Gorman, Mrs. Roy Goldsmith, Mrs. D. H. Goodlette, Mrs. J. H. Simpson, Mrs. A. N. Peters and Mrs. C. C. Wells.

### SEPTEMBER 22

The Mountain View Garden Club will meet at 7 p.m. Tuesday, September 22 at the Bobby Davis Library. Junior Gardeners, from 1st to 8th grade are invited to attend his meeting. The program will be a bird workshop and the hostess Mrs. Elmer Cornett will present a table arrangement or a child's party, featuring an animal container.

### September 22

The Garden Club of Perry County will hold their monthly meeting Tuesday, September 22, at 2:15 p.m., at the Bobby Davis Library. All members are urged to attend.

### September 24

The Garden Club Regional Meeting will be held Thursday, September 24, at 10 a.m., at the Mt. Aire Motel, in Harlan.

### OCTOBER 14

Girl Scout Basic Leadership Training will be offered in Hazard, Kentucky, on October 14, 15, 21 and 22. The training will be given at the Presbyterian Church on High Street from 9:30 a.m. to 2:30 p.m.

All Girl Scout Leaders and interested adults are invited to attend.

## Creech's Purchase W. Park Home

Mr. and Mrs. Claude Creech have purchased the Stamper Collins home in Woodland Park that was sold recently by the Hindman Land Auction Company. The home was purchased for over \$30,000.00.

IN THE HERALD

# Overcrowded Classes Is School Problem

Overcrowded conditions at Hazard High School have resulted in a daily schedule of "staggered classes" for the first time. Some pupils attend from 8 a.m. to 3 p.m., others 9 a.m. to 4 p.m.

A new building to relieve the classroom shortage won't be possible for at least another 10 years Supt. Roy G. Eversole told the Hazard Parent-Association Monday evening at its first meeting of the '64-65 school year.

The superintendent, serving as moderator of a panel discussion, explained that the present bonded indebtedness incurred in constructing two new schools—Walmart and Eversole—will have to be substantially reduced before a new high school can be built and that will take 10 years.

"We're bonded to the hilt right now," he stressed.

"But in 10 years we can get over \$600,000 for a new high school if the people want it, or in 12 years we can get \$730,000 and we could build a creditable building for this. In just a few more years than this, we could get \$900,000 to a million," added the moderator.

### 'Staggering' Recommended

Supt. Eversole pointed out that "staggering classes" was done this year as the only acceptable recommendation offered by the State Board of Education to solve the overcrowding. State Board's other recommendations, considered not feasible by the City Board, included moving the 9th graders back to elementary buildings to Lower Broadway, or using mobile classrooms.

Another high school improvement, made on recommendation of the state also, is the addition of two rest rooms upstairs in the building. Heretofore rest rooms have only been in the basement and these new facilities are now ready for use according to Eversole.

Principal John Stringer of Hazard High, a member of the panel, advised that "staggered classes" are relieving the crowded condition somewhat as expected.

Enrollment at HHS this year is 588 compared with 535 last year but the school system is "expecting the enrollment to peak this year and next and then drop off again," stated the superintendent.

Others comprising the panel were Mrs. Maxwell Barret, a parent; Mrs. Martin Palmer, high school teacher; and Principal Estill McIntyre of Eversole Elementary, where the meeting was held.

Over 150 were present for the meeting, which was conducted by Mrs. Joe Duncan, president. Mrs. Bill Morton, vice president, introduced the panel at beginning of the program.

Other discussion, based on questions from the attendants or propounded by the moderator, centered on the following:

**Is there any provision for physical fitness program in the grades?**

All pupils get 90 minutes per week. The football field is crowded all day long now with the various classes under direction of Eversole School's 29 teachers. In bad weather they'll be compelled to exercise in doors in their rooms.

**Would it be possible to group the children according to their abilities?**

This system was tried in Hazard schools a few years ago and considered unsuccessful for various reasons. Panel was almost 100 percent opposed to such grouping. One objection was its adverse effect on leadership. Snobbery also developed. Smart ones become a "smart aleck" lordling it over their "dumber" friends. Biggest problem of all was "the parent."

Supt. Eversole summed up the "ability grouping" tried for 30 years in the system simply: "It had lots of evils. You get a better learning situation perhaps but it's bad for the child."

**Should a child be allowed to play first or get his homework upon arrival home from school?** Panel in complete agreement: "Let them play first. They've been cooped up all day."

**Could Wednesday night be set aside for church activities rather than having conflicts with school activities?**

This question from Bill Mor-

ton brought a hearty "amen" from Rev. L. M. Rogers, Methodist Church pastor, who included "Sunday afternoons," also.

Supt. Eversole expressed surprise at the inclusion of Sundays in that he was "unaware" of this conflict. "We're working on this Wednesday conflict already, since that has been traditionally a church night, and we certainly don't want school to interfere with the Sabbath." The matter would have been settled sooner had it been called to his attention, the moderator added.

### Applauds 'No Carnival'

During the business meeting, Mrs. Duncan's announcement that there "will be no carnival again this year" drew applause. Funds for the year's project will be raised through the membership drive the same as last year.

### Member Drive Set

The president announced that Mrs. Fred Vesco will be membership chairman for the drive set Sept. 21 through Oct. 2. She will be assisted by a committee of nine and all homeroom mothers.

Minutes of the May meeting were read by the secretary, Mr. Woody Fugate, and approved. Treasurer's report rendered by Mrs. Joe Goodlette revealed a present bank balance of \$55.

Devotional presented by the Rev. Rogers stressed the teacher's opportunity to teach religion in every class subject, as well as the playground, despite the Supreme Court ruling on Bible reading and prayer. In closing, he reminded parents that "not all religious teaching is left to the schools."

### Room Count Winners

Room Count was won by Mrs. Abbie Baker with 20 parents present. Mrs. Ruth Reed and Mrs. Bonnie Hager tied for second; Mrs. Lena Foley and Mrs. Effie Porter tied for third.

After the meeting refreshments of punch and cookies were served Mrs. Robert Rader presided at the punchbowl. Mrs. Bill Goldsmith assisted.

## Alva Hollon, Jr. Enrolls At Rollins College

Among the more than 135 freshmen who entered Rollins College a week prior to Orientation to take part in the fifth annual Rollins How-to-Study Week was Alva Hollon, Jr., Cedar St., Hazard.

Rollins' unique week-long course emphasizes the art of taking notes, library usage, English, study techniques, and reading test drills. This year's How-to-Study Week students represent 20 states and three foreign countries.

All Rollins College entering students will report to the Winter Park campus Monday, September 21, for the beginning of Orientation.

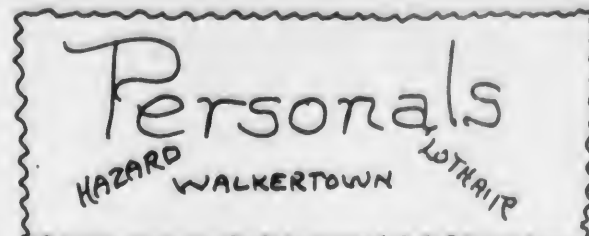

Classes for all students will begin the following Monday, September 28th, marking the beginning of the 80th academic year at Rollins College, the oldest institution of higher education in Florida.

## Mrs. Combs Hosts Friendship Club

Mrs. Aileen E. Combs entertained members of the Friendship Club with a dinner at her home on Broadway Thursday evening.

Members present were Mrs. Mollie Morgan, Mrs. Floyd Baker, Mrs. Elsie Brown, Mrs. I. E. Bolton, Mrs. W. G. Beavers, Mrs. Bess W. Draughn, Mrs. Mazie Phillips, Mrs. Jessie Hobbs and the hostess, Mrs. Combs.

Guests were Miss Eva Lee Smith and Mrs. Bonnie Seale.

## SPORTTALK

WITH  
BEN FITZPATRICK

It was a long weekend for this tired soul! Between playing golf, basketball, cocktail parties, Hazard just barely nipping Whitesburg, Kentucky fumbling to a 13-6 win over Detroit, and the drive from here to Lexington and back, there is a numb writer sitting at this typewriter trying to fill up space in The Herald.

I didn't see the Hazard-Whitesburg ball game, though I certainly wished I had. Coach Jack Carey had tossed and turned through four sleepless nights last week, worrying because his ball club was taking Whitesburg lightly. The boys weren't too concerned about the game, so once more it was just a case of the coach being right, and the players wrong.

Whitesburg wanted Hazard badly, much more so than Hazard wanted the Jackets and the final score shows that lack of desire. The Bulldogs have the potential to be a real strong ball club, but they have to get over the feeling that all they have to do is toss their uniforms on the field and the other team will run.

Year-in and out, mountain teams want Hazard and a victory would be cause for a town holiday. Even Lafayette is waiting on the Dogs because they are the big name football school in Eastern Kentucky. If the players don't get a little fire in their eyes and some field leadership from the seniors, they just might drop one of the next four games.

It is a good thing that assistant coach Aster Sizemore spent some extra time with placekicker Bill Morgan last week. Bill had connected on only five extra points in 15 tries, but with the additional practice, he split the uprights twice Friday night, giving Hazard their margin of victory.

Oh, what about the other extra point? There was a bad pass from center and Houston Hogg reacted quickly by lateralizing the pigskin to Morgan who calmly dashed into the end zone.

Detroit threw a much better squad at Kentucky than was anticipated but the Cats had a case of Fumblyitis, and could well have lost the game but for the superb running of All-America candidate Rodger Bird.

Bird has turned into as fine a collegiate runner as you would want. Hazard fans might remember that a couple of years ago the Dogs downed Corbin and Bird 19-6 to advance opposite Highlands in the playoffs.

For all purposes, Hazard's big line stopped Bird as cold as he was ever stopped in High School limiting the Corbin Comet to 54 yards on 16 carries, but still you could tell then he was going to be tough later on because he was a one-man ball club, both offensively and defensively.

If you want to see some interesting football, go up to Collins' Field some Thursday night and watch the small fry play. Shockey Bowling's Walkertown Wildcats lead the league with a perfect 3-0 record and are quite impressive.

If one used his imagination just a bit when watching them play, he could see the Hazard varsity out there because Shock uses a lot of Hazard's formations and his backs carry them out quite well, unexpectedly well for grade schoolers. They show the benefit of good coaching and will be prepared for their varsity debuts when they reach Hazard High.

## Gene Smith Hurls Three Wins In One Afternoon For Lothair

Lothair swept a Sunday tripleheader from Buckhorn behind the marathon pitching of ace Gen Smith, who ran his record to 29-5 by picking up wins in all three games.

Smith gave up six hits in the three games and two runs as Lothair, 43-9, ran up scores of 4-0, 6-1, and 16-1.

Buckhorn could manage only two hits in the whitewash first tilt as Smith struck out 12 batters. Pick Rose, with two extra base hits, and Marvin Meadows, Jim Hall, and Sam Combs added two hits to the attack.

Two hits by Chuck Meade and Smith paced the nine-hit Lothair offense in the second game as Smith pitched another two-hitter, striking out 10.

In the third game, Lothair bombed Buckhorn by a 16-1 count as Meade, Combs, Smith, and Rose banged out three safeties apiece, and Smith hurled his third two-hitter of the day, again getting 10 via the strike out route.

Lothair will play Grapevine tomorrow in a prep for the Eastern Kentucky Softball Tournament which will be held on Lothair Field, starting Sunday, September 28.

Admission to the games are free.

## Elkhorn City Rips Napier, 54-12, As Derek Potter Tallies 4 TD'S

By Arlis Fields

The Elkhorn City Cougars ripped the M. C. Napier pass defense to shreds Friday night as Jack Hall's charges remained unbeaten in posting their fourth win of the season, 54-12.

All-state candidate Derek Potter scored four of the eight Elkhorn touchdowns to run his season's total to 12. Norman Powell, the other half of the Cougars' "P-Punch" scored two 6-pointers to run his output to 7.

Only two of the touchdowns scored by the Pike Countians were picked up on the turf as the stubborn Napier defensive unit, led by Jerry Wooten, Ken Finnison, and Jim McAlarnis refused to give up yardage on the ground.

The airways were much different as Elkhorn City threw at will over the Napier defenders.

Napier's offense showed signs of improvement at the Navajos rolled up 230 yards rushing. Jim McAlarnis rushed for 150 yards including an 85-yard 3rd period kick-off return for a

## Masonic Fraternal Day Held Sept. 13

A Masonic Fraternal Day was held Sunday, September 13, at 3 p.m., at the Hazard Airport with Mr. W. B. Wright as Master of Ceremonies.

The meeting opened with prayer and the Pledge to the Flag led by Mr. Chalmers Corbett.

Presiding officers of all the Masonic Affiliated bodies of District No. 35 of the Grand Lodge of Kentucky were introduced and recognition was given to all past officers who were present.

District No. 35 is composed of Leslie, Perry and Breathitt Counties.

The welcome address was given by Mayor Willie Dawahare with the response given by Mr. George Wooten from Hyden.

Mr. Kenneth Johnson, of Louisville, Grand Warden of the Grand Commandery of the Knights Templar of Kentucky, was the guest speaker.

Following the program and business session, dinner was served to approximately 350 persons attending the meeting.

## 100th Division Of Army Corps Receives Award

The 100th Division (Training) has received the XX Army Corps Annual Reenlistment Award for having the highest percentage of reenlistments among Army Reserve units in the Corps area—Kentucky, Ohio and West Virginia.

This recognition for citizen-soldiers whose commitment to the Reserve had expired but decided to stay in, covered fiscal year 1964, the first full year after the 100th returned from one year of active duty at Fort Chaffee, Ark.

The 100th is Kentucky's largest Army Reserve unit and has 97 units stationed in home-towns from Pineville to Paducah.

In a letter of congratulations commending the 100th for the award, Major General H. G. Sparrow, Corps commander, said:

"This award provides tangible evidence of the outstanding results achieved by you command in this important program and reflects great credit upon all participants. The aggressive leadership and splendid teamwork that has been displayed in this concerted effort is most commendable."

"No mechanical device builds up momentum as fast as the human tongue."

## Beautiful New Chevrolets for 1965

Leading the beauty parade of 1965 cars is the elegant Chevrolet Impala Sport Coupe (above) with new flowing lines, new roominess and a distinctive profile. Stylish roof lines and curved side windows blend with the gracefully contoured rear quarter panels. The new Impala Convertible features an inward folding top with tempered glass rear window. The regular-size Chevrolet is available in 15 models in four series. The public announcement date for all Chevrolet-built passenger cars is September 24.

### New Chevrolets To Be Displayed In Hazard Sept. 24

Chevrolet takes its longest stride into the fine car field with its 1965 passenger cars—plus offering the widest variety of luxury models and product features in its 54-year history.

On display in dealer showrooms on Thursday, September 24th, will be 45 models in five distinctive lines of new Chevrolets. Of these, 20 will be "sport models"—convertibles and hardtops.

There are all-new cars in two lines:

The REGULAR CHEVROLET, long-time industry sales leader, moves to a new prestige plateau with the greatest comfort and luxury ever offered.

The CORVAIR makes a dramatic advance with its first major styling change in five years.

Customer approved design, with significant styling refinements, is continued for the Chevrolet, Chevy II and Corvette lines. The Corvette also becomes the first American car to provide four-wheel disc brakes as standard equipment.

Among approximately 400 accessories and optional features

available on 1965 Chevrolets is the first FM stereo system offered by an auto maker. Another is a telescoping steering column to give greater driving comfort for Corvairs and Corvettes.

With its new models, Chevrolet hopes this year to establish its third successive industry sales mark. S. E. Knudsen, general manager, declared.

"For 1965, Chevrolet is keeping pace with the public's growing preference for prestige transportation with the widest possible customer choice of options and features to fit individual needs," he said.

For 1965, Chevrolet offers its customers 15 colors—13 of them new—on Chevrolets, Chevies, Chevy IIs and Corvairs with up to nine two-tone combinations, depending on the model. Corvettes are offered in a choice of eight distinctive colors.

New on all models will be a two-key lock system as added protection against vehicle theft. With it will be the addition of a four-position ignition switch

to all models.

Extended lubrication is again a feature of all Chevrolets for 1965. Recommended chassis lubrication is every 6,000 miles or six months and engine oil change each 6,000 miles or 60 days.

### ROWDY

## Rowdy Farmers Sow Cover Crops; Children Benefit From School Bus

By Elsie Noble

Our farmers here at Rowdy are busy finishing sewing their cover crops.

Mr. Muncy Campbell and Mr. Tug Fugate are remodeling their homes.

Mrs. Dee Noble returned to her home in Frankfort after a week's stay with her parents. Mr. and Mrs. Emanuel Campbell, Mr. Campbell is bedridden due to a stroke.

Mrs. Woodrow Duff and her daughter Lynda K., and Mrs. Ova Campbell and her son, Clay, flew to Lexington and back Saturday.

Mrs. Verna Watts, Mrs. Lark, and Mrs. Irene Haddix were in Hazard Monday to shop.

The teachers and students at Stacy School are proud of their janitor, Mr. Woodrow Duff, and also of the new paint job on the school. We all say thanks to Mr. Wooten for the school bus at Stacy. Now the smaller children don't have to start to

school before daylight—they can start around 7:45 and get to school on time.

Mrs. J. D. Morris, of Grapevine, was the Sunday guest of our writer.

Mr. Shiril and Virid Campbell left Sunday for New Paris, Ohio, where they will take a contract for cutting timber.

Claude and Steven Campbell and Virgil Ritchie left Sunday for Chicago.

Squirrels are very scarce around here from the reports of Arnold Campbell and Adam Noble. They hunted four days and only killed two squirrels.

Mr. and Mrs. Robert Campbell and family, of Lexington, were in Rowdy over the weekend.

SP/4 Arliss Noble, of Alabama, made a flying trip home over the weekend to visit his parents, Mr. and Mrs. Jordan Noble.

### Former Lothair Resident Dies In California

Word has been received here of the death of Mr. Jesse Combs Tuesday morning, September 14, at the Sequoyah Hospital in San Francisco, California. Mr. Combs is a former resident of Lothair.

He is survived by two sons—Billy Glenn Combs, of Belmont, California, and Mr. J. Allen Combs, of Kelseyville, California; one daughter—Mrs. Lesla Maxine Watterman, of Greenwood, Iowa; and seven grandchildren.

## NOTICE OF BOND SALE

The County of Perry, Kentucky, will until 1:00 P.M., E.S.T., on September 28, 1964, at the regular meeting place of the Fiscal Court of said County, at Hazard, Perry County, Kentucky, receive sealed competitive bids on a \$90,000 Voted Court House and Jail Bond. Such Bond is dated September 1, 1964 and numbered 1, in the denomination of \$90,000, bearing interest from September 1, 1964, payable on March 1, 1965 and September 1, 1965, maturing on September 1, 1965, payable at Peoples Bank Hazard, Kentucky, and issued in accordance with an order of the Fiscal Court of said County authorizing said Bond, which order governs the sale and to which order reference is hereby made. Bidders must bid at least \$90,000 for such bond, plus accrued interest, and shall name an interest rate in a multiple of 1/8 or 1/10 of 1%, not to exceed the legal rate of 6%. The County reserves the right to reject any or all bids. The County reserves the right and privilege to purchase promptly from the original successful purchaser such \$90,000 bond for \$90,000, plus accrued interest. The bond is being sold on the usual tax-exempt basis. The final approving legal opinion will be by Skaggs, Hays & Fahey, Attorneys, Louisville, Kentucky. Bids must be made on forms which may be secured from the undersigned, or from Charles A. Hirsch and Company, Inc., 1001 Fifth Third Bank Building, Cincinnati 2, Ohio, Fiscal Agent. The required good-faith check is \$1,800.00. Upon failure of the successful bidder to take up and pay for the bond when ready, the amount of the good-faith check shall be deemed liquidated damages for such default. (Signed) County of Perry, Kentucky, by Jessie Horn, County Clerk. E:9:21:c

## PERRY CIRCUIT COURT

Civil Action No. 3224

L. A. HOPPER

PLAINTIFF

Vs: Notice of Commissioner's Sale

ELIZA JANE NAPIER AND C. L. NAPIER

DEFENDANTS

Pursuant to judgment and order of sale of the Perry Circuit Court entered on the 31st day of July, 1964 in the above styled action, the undersigned, as Special Commissioner of the said Court, will offer for sale at the temporary Court House door in the City of Hazard, Perry County, Kentucky, to the highest and best bidder at public auction on the 5th day of October, 1964 at 1 o'clock p.m., on a credit of 6 and 12 months the following described property:

### TRACT NO. I:

Beginning in the line of the tract of land deceded by Emanuel Combs and others to the Daniel Boone Coal Company on the point at the mouth of Long Branch and running with the railroad right of way up the branch to a point which makes off of the ridge to the upper end of the switch of the Daniel Boone Coal Company and which connects with the main line of the Lexington and Eastern Railway, near the tunnel, and thence running up the hill to the crop line of the number four vein of coal; thence with the crop line of the number four vein of coal to the right of way; and thence with the Lexington and Eastern Railway right of way to the top of the hill by the Long Branch and the north fork of the Kentucky River; thence with the top of the ridge by the said branch and said river to the top of the knob at the head of Long Branch and Wash Place Branch to the beginning. Containing 44 acres, more or less.

### TRACT NO. II:

A certain tract or parcel of land lying and being in Perry County, Kentucky and more particularly bounded and described as follows:

Beginning on two sycamore bushes at Daniel Boone Coal Company's tippie; thence up the point with Warren Smith's line to the top of the ridge; thence up the ridge to a knob at Ruben Messer's line; thence down the point to the Lexington and Eastern Railway right of way; thence with said right of way down the line to the beginning. Containing 20 acres more or less.

The purchaser may pay cash on the date of sale or he shall be required to execute good sufficient sale bonds to be approved by said Commissioner, said bonds shall bear interest at the rate of 6% per annum from the date of sale until paid. The amount to be realized is \$492.50.

WITNESS my hand as Special Commissioner of the Perry Circuit Court this 12th day of September, 1964.

RICHARD C. WARD  
Special Commissioner,  
Perry Circuit Court

31 9 14 21 20.

## SHERIFF'S SALE

COMMONWEALTH OF KENTUCKY PLAINTIFF  
ON BEHALF OF DONNA SUE CAMPBELL

Vs: SHERIFF'S SALE

WILLIE ALLEN DEFENDANT

By virtue of Education No. 2261, to me directed, which issued from the office of the Clerk of the Perry Circuit Court in favor of Commonwealth of Kentucky on behalf of Donna Sue Campbell and against Willie Allen, I will on the 30th day of September 1964, at 1:00 P. M.; it being Circuit Court Day, at the Court House door in the City of Hazard, Kentucky, expose to public sale to the highest and best bidder, a certain parcel or tract of land, lying and being in Perry County, Kentucky and more particularly bounded and described as follows:

Beginning at a cross on a rock in a small drain on the North side of Main Street of the City of Hazard, Kentucky, just opposite the City Water Plant; thence with Main Street N 54 E sixty feet to a stake; thence leaving Main Street and up the side of the hill, N 15 00 W 110 feet to a stake; thence S 45 00 W forty-five feet to a stake in a drain; thence down said drain with the meanders of to the beginning.

I will proceed to sell said land, or so much of it as will be necessary to satisfy said execution, and costs thereof, to the highest and best bidder, on a credit of three months from date of sale, the purchaser giving bond with approved surety, to have the force and effect of judgment on which execution may issue if the same is not paid at maturity, when and where due attendance will be given by me, or for cash.

AMOUNT TO BE RAISED: \$500.00 plus costs.

CHARLES E. COMBS,

Sheriff Perry County

31 9 21 21 20 c.
